

WHAT TO ASK A PERSONAL INJURY ATTORNEY

HOW LONG HAVE YOU BEEN PRACTICING LAW?

Do you have experience in personal injury?

How much does the firm focus on personal injury cases like mine?

WILL YOU BE PERSONALLY HANDLING MY CASE?

If not, will my case be handled by a partner or paralegal?

Can I sit down and discuss my case with them?

DO YOU TRY CASES LIKE MINE IN COURT?

Will you give my case the time and attention it deserves?

A lawyer's willingness to try cases in court can result in higher settlements.

WHAT WILL MY PARTICIPATION BE IN THE CASE?

When will I participate? What are my responsibilities?

How much time will you spend with me on my case?

CAN YOU PROVIDE ME WITH ANYTHING THAT WILL SPEAK TO YOUR REPUTATION?

Do you have testimonials from other clients?

Have you tried cases like mine?

Have you won any awards, recognitions, or honors?
